

Dear Sponsors and Friends:

On Saturday, November 3, 2018, The Regalettes Inc. will celebrate 60 years of commitment to education, cultural and civic activities. Our 60th Anniversary Scholarship Fundraiser, themed *Diamonds and Pearls, A Red Carpet Gala*, will be held at the Beverly Hilton Hotel.

For the past six decades, we have consistently served the minority community through outreach programs and annual scholarships to students in need. All of our programs as well as educational support of minority students directly impacts the underserved and those in need. Our goal has been to empower the next generation by establishing standards of civic responsibility and community participation so that they may be shining examples of service that uplift minority and disadvantaged communities.

In order to ensure that our scholarship recipients complete their education, the Regalettes provide continued tuition support and assistance with living expenses beyond their four-year college program, which includes advanced degrees. Over the years, The Regalettes have awarded over \$800,000 in scholarships and our student recipients have had a proven track record of excellence, demonstrating a 95% graduation rate. This year, we will present financial awards to 16 deserving students.

In addition, we have expanded our college assistance program and launched additional sustainable programs relating to STEM (Science, Technology, Engineering and Mathematics), job preparation, mentoring workshops, professional and leadership development and internships. In partnership with our Sister organization SIILK (Sisters Involved In Linking Knowledge) and the Expo Center, we hosted our 2nd annual Teen Conference in Los Angeles.

We have demonstrated a rich history in honoring outstanding individuals who have made a difference in our community with our Crown Awards. And, our events are fun! We present an array of local and/or name entertainment to enchant our guests as well as present the talents of some of our gifted scholarship recipients. Your support of our youth educational programs and community outreach initiatives will make a meaningful difference in the lives of the inner-city youths in our community.

I'm writing to ask if you will consider sponsoring this event. We are a 501 (c)(3) non-profit organization. We invite you to review the attached sponsorship package. We are proud of our history and accomplishments and would love to share this momentous occasion with you.

We look forward to discussing this exciting opportunity with you.

Sincerely,

Lois J. Buckman
